

Policy Statement

Health and Safety at Work etc. Act 1974

Sanmet Ltd General Statement of Policy

Sanmet Ltd policy is to provide and maintain safe systems of work for all staff and to provide such information, training and supervision as is necessary for the purpose.

It is the duty of management to ensure that everything reasonably practicable is carried out to prevent personal injury, property and environmental damage and to maintain a healthy and safe place of work.

All staff have a responsibility to co-operate with management in matters of health and safety and comply with the requirements of the safety policy. Staff must carry out their duties in a manner to prevent personal injury to themselves or other staff.

Sanmet Ltd recognises that it has health and safety responsibility for others who may be affected by its activities.

The allocation of duties and responsibilities for matters of health and safety and the arrangements necessary to implement the policy are identified in the policy document.

Sanmet Ltd Management commits to provide sufficient resource to enable health and safety activities to function and for the review of the system at determined intervals.

Consultation with staff on matters of health and safety will include any changes to the policy.
