

Quality Policy Statement

Sanmet Ltd is committed to provide products and services meeting clients' specific or implied needs and any appropriate statutory or regulating requirements.

The strategic direction of the business, its context and the needs of the interested parties are addressed, monitored and reviewed.

Business risks, opportunities and objectives are documented, monitored and reviewed.

Close relationships with clients and their requirements are maintained at management level.

Sanmet employees and sub-contractors are responsible for their actions affecting product quality and must carry out their allocated duties in a manner which does not adversely affect themselves, others or the environment.

To assure clients of Sanmet Ltd commitment, the business operates a quality management system certified to ISO 9001: 2015 and National Highways Sector Scheme 16

Suitable resources are made available to allow the system to function adequately.

The quality management system, its relevance, the requirements of the standards and business performance are subject to regular monitoring, audit and review for continual improvement.

A handwritten signature in black ink, appearing to read "Z Marsden".
